

Exxentric Summit 2016

Stockholm, May 20–21 2016

Invited: Resellers, ambassadors, customers, key users, partners.

Location: The University of Sport and Health Sciences at Lidingövägen 1, 114 33 Stockholm. Google maps: <https://goo.gl/maps/T6MUVYm2Gb82>

Time: Lectures, workshops on Saturday May 21st from 08.00-17.00. Dinner in Stockholm on Saturday evening. Resellers are also invited to a separate meet-up on Friday afternoon on the 20th.

Cost: 150 Euros for Summit only and 225 Euros total for Summit and Introductory Course on Friday 20th (see below). Prices are excluding VAT (if applicable) and will be invoiced after registration.

Meals: Lunch, dinner and refreshments will be included in the cost and will be provided by Exxentric during the Summit.

Travel and accomodation: Travel and hotel costs are at the attendees' own expense. Hotels in different price ranges are available online at sites such as <http://www.booking.com>.

Content overview: The full agenda will be announced later on, and will include:

- Our new education structure (We would like to hear your feedback).
- Review of the latest flywheel science and a sneak peek into our upcoming and on-going projects.
- Sten Kaiser, the developer of the kMeter app and module will present on the physics of power and how it is measured.
- Demo of new and upcoming products.
- Attendants' own presentations (10-20 minutes). Do let us know if you want to share your experiences. This is the most appreciated (fun) part of the Summit.

Introductory Course: On Friday, May 20th there will be an Extended Introductory Course (in English) 9-17 at the same location. The cost is € 150 for the course only and € 225 for the course and Summit package. For more information, see: <http://exxentric.com/courses>.

Reservations: To reserve your seat at the Summit and/or the Introductory Course, please register at <http://exxentric.com/summit-2016> no later than April 15th.
